25 Under 25® Selects SARIN Energy Solutions for 2017 Class of Honorees

Overland Park, KS -- SARIN Energy Solutions was recently notified that they are one of Kansas City's top small businesses, and will be recognized as one of the winners of the 2017 25 Under 25® Awards.

SARIN is one of the Midwest's most trusted LED lighting companies, and partners with businesses and organizations of all sizes to replace inefficient lighting systems with energy-efficient LEDs. SARIN's team of experts do it all, from manufacturing their own products and energy audits to installation and ongoing service.

"New technology is making it easier and more affordable than ever to switch traditional lighting systems to LEDs," said Inayat Noormohmad, SARIN Energy Solutions President/Founder. "We enjoy a number of partnerships with utility companies to maximize savings for our clients, while providing them with unparalleled customer service."

Hosted by Thinking Bigger Business Media, the 25 Under 25® Awards are presented to 25 local businesses with fewer than 25 employees. Each winner has demonstrated financial strength, the ability to overcome adversity and challenges, a commitment to the community and a powerful company vision.

"Small businesses are a powerful, but often overlooked force in Kansas City," said Kelly Scanlon, CEO of Thinking Bigger Business Media and the creator of 25 Under 25®.

"Together, these -- companies employ thousands upon thousands of people, deliver innovative products and services, and help support our government, schools, nonprofits and other public resources. Of course, most of our winners are too humble and too busy to brag about their contributions. But it's a story that needs to be told. The 25 Under 25® Awards are proud to celebrate the important service of small businesses."

An independent panel of judges consisting of area business leaders chooses the winning companies. A complete list of winners can be found at www.25under25.com.

This is the 16th year for 25 Under 25®. This year's honorees will be recognized during the annual 25 Under 25® Gala on Saturday, March 4, at the Downtown Marriott Hotel. Bob Regnier, president and CEO of Bank of Blue Valley, will receive the Entrepreneurial Legacy Award, which pays tribute to a leader who has made a lasting impact on KC's business community.
