SARIN's Classical Series LED Strip Lights are flexible lengths of light that can be used almost anywhere. These lights are safe for outdoor use and are protected from rain, snow, and weak jets of water, such as sprinklers. These strip lights come in three color temperatures.

The Classical Strip Light is cuttable every 2 inches, allowing for customizable length. Mix-and-match accessories make these lights versatile and perfect for almost any application, from grocery store shelving to residential accent lighting. Strong 3M tape makes mounting simple and durable. 5 year warranty!
