PF	0.9	**Lifespan**	30,000 Hours

The SARIN Moonlight Series features elegant, outdoor wall sconces that add functional lighting and brilliance to any area. Constructed from solid aluminum, this fixture boasts a sleek look with a black or bronze finish and features color temperature tuning. This dual hourglass-shaped up-down light provides an aesthetically pleasing effect in any environment.

LED Wall Sconces are safe to use in wet locations that come in direct contact with rain and water. The fixtures have a switch to change between three color temperatures. This decorative LED wall sconce is ideal for any exterior wall on hotels, homes, and offices.
