PF	N/A	**Lifespan**	35,000 Hours

SARIN LED Adjustable CCT Mirror Lights are widely used as a functional decoration for restrooms in residential and commercial spaces. These mirrors can be tailor-made for you with a variety of options, including custom sizing, touch button control, and special logo engraving.

There is a heater behind the glass to prevent fog and a switch in the middle of the mirror. The mounting plate allows you to install vertically or horizontally. Available with a frosted lens, this mirror can switch between four color temperatures. Crystal lens mirrors are available upon special order. These mirrors have an array of customizable options, including touch controls, dimming, logo engraving, and waterproof box.

OVERVIEW
