<b>Beam Angle</b>	90°	<b>Finish</b>	White
<b>CRI</b>	>80	<b>Lens</b>	Frosted
<b>PF</b>	>0.9	<b>Lifespan</b>	50,000 Hours

SARIN NIGHT LIGHT DOWNLIGHTS remove the need for recessed cans, freeing up space for installation and hard-to-reach locations with a sleek and elegant look. This downlight is designed to reduce energy costs and maintenance intervals. The spring action clips and junction box eliminate the need for housing, making for easier installations. The easy to control Night Light function adds one more reason to switch to this light!

These downlights are meant for indoor use but can be installed in wet locations such as kitchens and bathrooms, where humidity and splashes of water are common. Access to space above the ceiling is required for installation.
