SARIN LED Slim Gas Signs are a cost-effective way to direct drivers to your location. With 12 and 24 inch options, SARIN LED Gas Signs are available in the sizes you need. You can program it to show different prices for cash and credit, along with other options via a remote control. This sign automatically dims at night when it is easier to see which saves energy. The acrylic sign at the top can be replaced with ease. Available in Red and Green, you can choose the size and color that meet your specifications!
