Bulb Lifespan: 50,000 hours

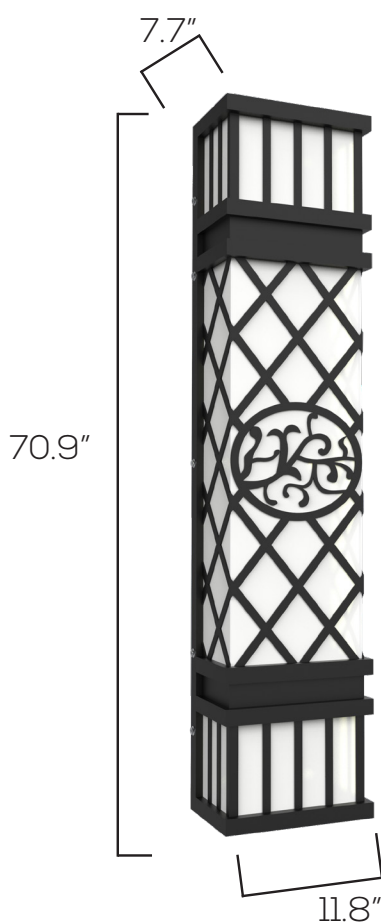

Features

SARIN's COLOSSAL Wall Sconces are as bold as they are beautiful. Each light is illuminated with removable T8 Integrated Tubes, which means the fixture itself lasts almost indefinitely. Made by hand from durable stainless steel, these works of art have a powder-coated finish that will still look new beyond its 3-year product warranty. The natural symbol and graphic pattern of this model works well with religious institutions.
