Bulb Lifespan: 50,000 hours

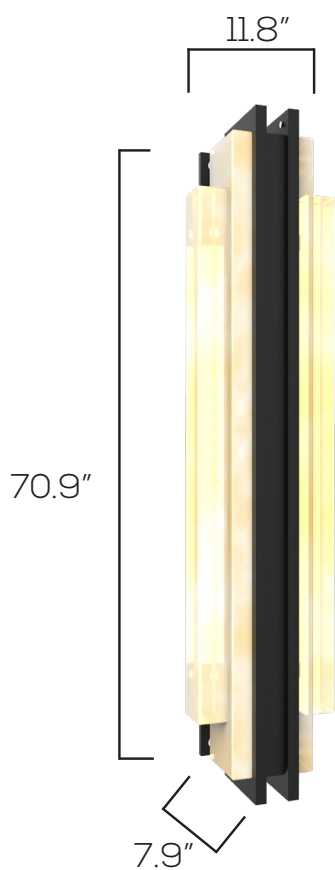

## Features

SARIN's COLOSSAL Wall Sconces are as bold as they are beautiful. Each light is illuminated with removable T8 Integrated Tubes, which means the fixture itself lasts almost indefinitely. Made by hand from durable stainless steel, these works of art have a powder-coated finish that will still look new beyond its 3-year product warranty. The marbled effect of the lens is a great accent to polished stone and natural buildings.
