

## LED T5 TUBE LIGHT SERIES

### SES-4T5

#### Technical Specifications

|             |                                |
|-------------|--------------------------------|
| Size:       | .9" D x 4' L                   |
| Watts:      | 18W                            |
| Lumen:      | 2340lm   2880lm                |
| CCT:        | 3000K   4000K   5000K   6000K  |
| Voltage:    | AC100-277V (50/60Hz)           |
| Dimmable:   | No                             |
| Beam Angle: | 140°                           |
| Base:       | HO                             |
| CRI:        | >80                            |
| PF:         | >0.95                          |
| IP Rate:    | IP20                           |
| Materials:  | Aluminum, PC                   |
| Ring Color: | Red, Green, Blue, Silver, Gold |
| Lifespan:   | 50,000 hours                   |
| Driver:     | Type B Built-in                |

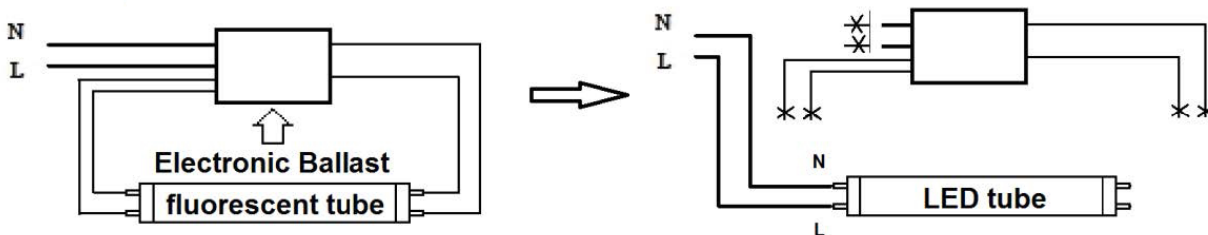

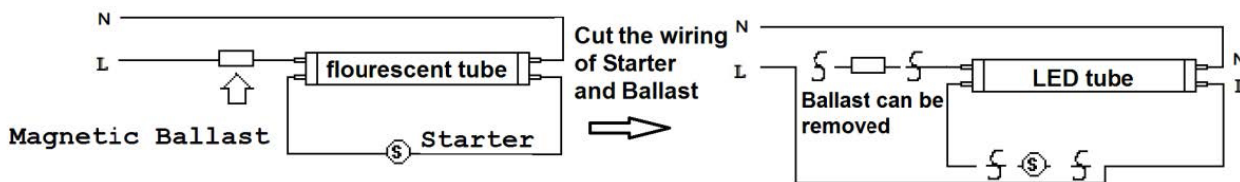

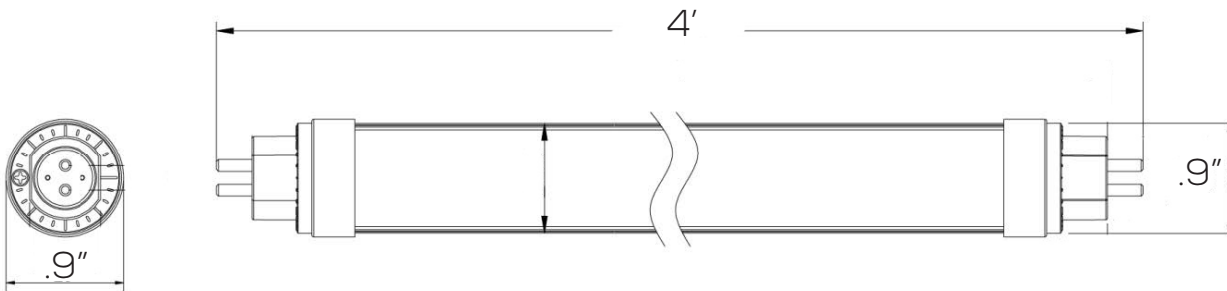

## Features

SARIN Energy is proud of its high-quality LED T5 Tube Light Series. This revolutionary product adopts the latest technology, replacing traditional bulbs with energy efficient LEDs. These are widely used in the lighting of warehouses, grocery stores, hospitals, schools, parking garages and other commercial spaces. These fixtures are suitable for a variety of applications and will provide significant energy savings.
