Bulb:	T8 Integrated
CRI:	>80
PF:	≥0.95
IP Rate:	IP55
Materials:	304 Stainless Steel, Acrylic
Housing Color:	Matte Black, Rainy Acrylic
Bulb Lifespan:	50,000 hours

Features

SARIN's Big Ass Wall Sconces are as bold as they are beautiful. Each light is illuminated with removable T8 Integrated Tubes, which means the fixture itself lasts almost indefinitely. Made by hand from durable stainless steel, these works of art have a powder-coated finish that will still look new beyond its 5 year product warranty. The rigid geometric shapes of this light pair nicely with 1950s Brutalist architecture style buildings.
