

MEET SARIN

High-Quality Lighting and Innovative Solutions You Can Count On

SARIN Energy Solutions is a Kansas City-based company dedicated to delivering high-performance, energy-efficient solutions across the nation. From our reliable commercial-grade LED lighting fixtures—now backed by an industry-leading 7-year warranty on top products—to our advanced EV chargers and stylish hotel blinds, we’re continuously expanding our offerings to meet our clients’ needs.

Our products undergo rigorous testing to ensure durability and efficiency, using quality components like Philips LED chips and MEAN WELL drivers. Crafted from durable materials and available in various finishes, SARIN products provide reliability and sophistication for any space.

Our Mission

Our goal is to deliver outstanding customer service to every client, every time. With a wide range of carefully designed, lasting products, we prioritize your satisfaction and peace of mind. When you choose SARIN, you’re choosing quality, backed by an unwavering commitment to excellence.

INTERIOR LIGHTING

Reinvent Your Space with Cutting-Edge LEDs

At SARIN Energy, we take pride in our high-quality and elegant LED lights. With so many design possibilities, you can create the atmosphere to delight anyone's sense of style and taste. The ability to reduce utility bills and achieve significant energy savings is just a bonus. Show off your sophistication with luxury fixtures that truly elevate your decor.

Our interior products have superior light distribution and versatility for a multitude of applications, from accent to illumination. In addition to the savings from switching to energy-efficient LEDs, you can also benefit from noticeable reductions in maintenance costs over the life of the system. LED technology lasts 4 to 8 times longer than modern incandescent or CFL lights.

We are dedicated to ensuring that your lighting needs are met. Nearly all of our lights are available in color temperatures ranging from 2700-6500K. Many of our products can be custom ordered with various sizes, colors, wattages, accessories, diffusers, finishes, and features. For more information about optional customizations, call us at [855-997-2746](tel:855-997-2746).

LED LIGHTED MIRRORS

Upgrade your space with our LED Lighted Mirrors, featuring anti-fog technology, dimmable lighting, and high IP ratings – ideal for damp environments. Designed for elegance and functionality, our mirrors bring sophistication to homes, offices, and hotels. With an extended warranty, these mirrors are built to stand the test of time.

Applications:

- Homes
- Offices
- Hotels
- Restaurants

LED HIGH BAY LIGHTS

Built for demanding industrial applications, SARIN's High Bay Lights excel in extreme conditions. Perfect for high-ceiling spaces like warehouses and gymnasiums, these lights feature wattage tunability for added flexibility. Crafted to exceed industry standards, they now come with an extended warranty, underscoring our commitment to durability.

Applications:

- Warehouses
- Factories
- Exhibition Halls
- Gymnasiums

SARIN IS THRILLED TO INTRODUCE OUR CUTTING-EDGE LED DISPLAYS, DESIGNED TO REVOLUTIONIZE THE WAY YOU SHOWCASE YOUR BUSINESS!

Whether you need a straightforward OPEN and CLOSED sign for your storefront or you're envisioning a captivating LED display cube to elevate your brand, SARIN has the perfect signage solution for every situation.

Our state-of-the-art LED displays are more than just signs; they are dynamic and eye-catching visual experiences that will leave a lasting impression on your customers. Picture the impact of a vibrant LED display cube, seamlessly blending technology and aesthetics to create an immersive atmosphere that sets your store apart.

At SARIN, we understand that in today's competitive market, standing out is crucial. That's why our LED displays are not just about illumination –they're about transforming your store into a dynamic and engaging space.

Let SARIN be the catalyst that propels your business to the next level. Explore the possibilities with SARIN's game-changing LED displays and discover how our innovative signage solutions can redefine the way you communicate with your customers. Elevate your storefront and captivate your audience with SARIN's state-of-the-art LED displays—because your business deserves to shine!

LED HIGH POWER LAMPS

SARIN's High Power Lamps will brighten up any outdoor area. LED Corn Lamps are most commonly used to replace HID lamps and metal halide bulbs. These lamps are an economical and easy way to replace high wattage lamps without having to change existing fixtures.

Applications:

- Offices
- Shopping Centers
- Hospitals
- Gas Stations

EXTERIOR LIGHTING

Waterproof Lighting for Every Situation

SARIN's exterior LED lamps are weather-proof and sure to light the way for years. Impress and welcome guests by bringing modern refinement to the rugged outdoors. It's time to take control of your exterior with radiant displays that have the power to captivate and turn night into day.

These lights are far more energy-efficient than standard halogen and metal halide lights. Whether you're looking to illuminate areas for safety or add a splash of color to enhance your architecture, SARIN has a solution for you! You can even use a photocell sensor with your lights so they automatically turn on at night to save you the hassle.

We are dedicated to ensuring that your lighting needs are met. Nearly all of our lights are available in color temperatures ranging from 2700-6500K. Many of our products can be custom ordered with various sizes, colors, wattages, accessories, diffusers, finishes, and features. For more information about optional customizations, call us at [855-997-2746](tel:855-997-2746).

COLOSSAL WALL SCONCES

Whether your need is for something modern
or a piece that's more elegant and classic,
indoor or outdoor, COLOSSAL has something
for everyone.

A SARIN Energy partnership

LED WALL LAMPS

SARIN's LED Wall Lamps are perfect for adding splashes of light or color to any wall. These lights are designed with style and durability in mind. They are sure to enhance the allure of your building for years to come! All of the lights in this section have optional finishes.

Applications:

- Hotels
- Restaurants
- Places of Worship
- Hospitals

Bulbs are sold separately for fixtures that require them.

PRODUCTS YOU CAN RELY ON

At SARIN Energy Solutions, we stand by the durability and performance of our products. That's why we're proud to offer an updated 7-year warranty on many of our top products.

With SARIN, you can trust your investment is built to last.

INDUSTRY-LEADING 7-YEAR WARRANTY

At SARIN Energy Solutions, we don't just provide exceptional lighting solutions—we deliver confidence. Our 7-year warranty is a testament to the quality, durability, and performance of our top products. Whether you're upgrading commercial spaces, illuminating homes, or powering industrial environments, you can trust SARIN's products to perform reliably for years to come.

WHY CHOOSE SARIN'S 7-YEAR WARRANTY?

UNMATCHED DURABILITY: Our products are designed to withstand the toughest conditions, from heavy-duty industrial use to daily wear and tear.

LONG-TERM VALUE: A longer warranty means fewer replacements and lower maintenance costs, making your investment even smarter.

COMMITMENT TO EXCELLENCE: We stand behind our products so you can focus on your projects with peace of mind.

When you choose SARIN, you're choosing lighting solutions built to last. Backed by our updated warranty, you can feel confident that our products meet and exceed the highest industry standards.

LED WALL PACKS

SARIN's LED Wall Packs are specially designed to be mounted on exterior walls and illuminate pathways below. They are protected from all weather conditions, including rain and snow, and will provide efficient lighting for a long time.

Applications:

- Offices
- Hotels
- Restaurants
- Stores

LED FLOOD & POLE LIGHTS

SARIN's LED Flood and Pole Lights are used to replace high pressure sodium flood lights and metal halides and can provide an energy savings of up to 70%. These flood lights will shine in the toughest weather conditions with an impenetrable housing and powder-coated finish. Say goodbye to the hassle of frequently using maintenance lift trucks.

Applications:

- Parking Lots
- Stadiums
- Billboards
- Playgrounds

LED SOLAR LIGHTS

SARIN's LED Solar Lights are perfect for remote locations that do not have a power source or to reduce energy costs. These lights can run for days on one charge as long as they get access to direct sunlight. Extra care has been taken to ensure the highest degree of reliability for solar LED lights. All of these fixtures have replaceable batteries.

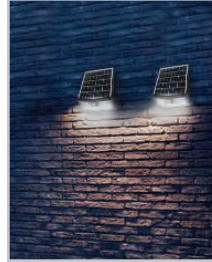

Applications:

- Area Lighting
- Street Lighting
- Isolated Locations
- Parking Lots
- Sidewalks

• Warranty Covers Product & Battery •

WELCOME TO OUR NEW HOME

Our brand-new showroom is currently under construction and set to be completed soon. Once finished, it will be a state-of-the-art space where you can explore our latest designs, see our products in action, and get expert advice tailored to your needs.

SEE WHATS AHEAD FOR SARIN

We've moved to a new location in Kansas, and we're excited to welcome you to the future of SARIN Energy Solutions! Whether you're looking for innovative lighting solutions for your home, office, or commercial project, our new showroom will offer a hands-on experience like no other. Stop by and be inspired by the possibilities SARIN can bring to your space.

We look forward to seeing you soon!

KANSAS

PRODUCTS YOU CAN RELY ON

At SARIN Energy Solutions, we stand by the durability and performance of our products. That's why we're proud to offer an updated 7-year warranty on many of our top products.

With SARIN, you can trust your investment is built to last.

LED CANOPY & GAS SIGNS

SARIN's LED Canopy Lights are specifically designed to illuminate from even the tallest canopy. They are crafted from durable materials that can withstand extreme outdoor environments. Gas Price Signs can easily be programmed and are excellent at drawing attention.

Applications:

- Hotels
- Restaurants
- Gas Stations
- Parking Garages

EV Chargers

Range anxiety is real, but we're here to help ease your worries! As electric vehicles (EVs) become more popular and the push for environmental sustainability grows, the need for accessible, efficient charging options is greater than ever. SARIN's Level 2 and Level 3 EV Chargers offer greater range and charging speed to meet the needs of today's EV owners

Applications:

- Hotels
- Restaurants
- Places of Worship
- Hospitals
